Product Disclosure Information Sheet
Multi-use screw (button head)

Product description
Multi-use screw (button head) 8g

Relevant building code clauses
B1 Structure — B1.3.1, B1.3.2, B1.3.3 (b, d, e, f, g, h, i, j, p, q), B1.3.4
B2 Durability — B2.3.1 (a)

Primary Use
Timber fastening

Scope of use
Buildex fasteners are intended for use in residential and commercial timber construction to secure various building components to timber.
For framing, use in "Framing in 'closed areas' including roof spaces" according to Table 4.3 NZS 3604

Conditions of use
Joints need to be designed so that they comply with the load requirements of B1 without exceeding the fastener capacity.
Fasteners need to be installed by a competent professional in accordance with the manufacturer's recommendations.

Installation Instructions:
1. Fit screw to a power screwdriver then set to Low and place at fastening position.
2. Push sharply to create a starting point.
3. Drive screw home.

Manufacturing Details
Screws manufactured in Taiwan to strict ITW Buildex design and specifications

Warnings and bans
At the time of print, this product is not subject to any known warnings and bans found in Building Act 2004.
